REPORT

The NSS Units of **Tecnia Institute of Advanced Studies, Rohini** organized World AIDS Day on 1st December, 2018. The programme started at 11:00 am with the inaugural speech of Dr. Ajay Kumar, Director, TIAS who stated the importance of this celebration and observation of this day. He addressed the students and gave a very relevant speech on AIDS, HIV and causes of them, symptoms and ways to cure them. His speech included various ways how a youth can protect the society through awareness and prevention. The positive sign was the students' including the NSS Volunteers concentration and eagerness towards the problems caused by AIDS by demonstrating placards in regard to stay safe from this deadly disease. The theme this year 'Ending the HIV/AIDS Epidemic: Resilience and Impact' will be focused on creating global solidarity and providing resilient services. A poster-making competition was also organized in which the students prepared descriptive posters and made videos demonstrating their posters. These videos were shared through online modes in order to spread knowledge about HIV myths and promote its prevention. Mansi Arora achieved first prize in Poster-making competition. During the event, students from all streams made posters, slogans depicting the importance of AIDS awareness. Students through the help of posters and slogans highlighted the causes and prevention of this disease and also gave a message to stop all kinds of prejudices associated with AIDS so that a patient suffering from this disease should not feel outcast but should be consider as a respectable member of the society. Dr Ajay Kaul, NSS- Nodal Officer, highlighted the fact that the world is facing new diseases each day. She further said that "we all should take constructive steps to eliminate chronic diseases for making our planet safe and spreading awareness about AIDS disease in communities is must, which our NSS unit volunteers are doing to a great extent."

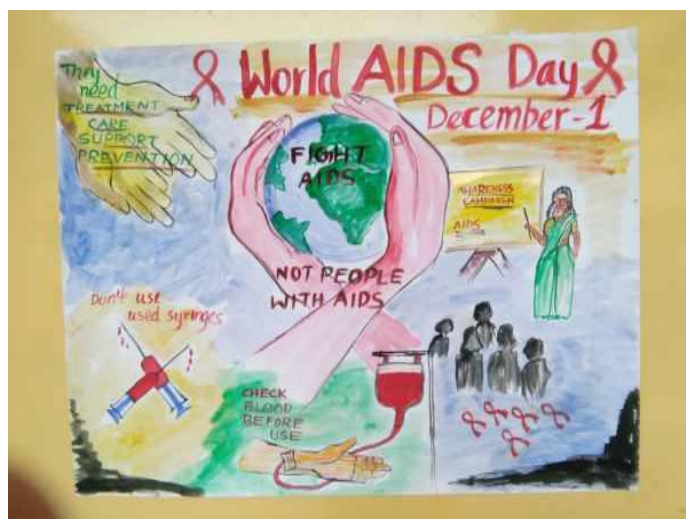

LEARNING OUTCOME

Students have learnt about the

1. World AIDS Day
2. the impact of HIV related stigma and prejudice
3. ways to counter HIV stigma and discrimination
4. difference between HIV and AIDS
5. HIV route of transmission
