Dear Sir/ Madam,

Greetings from All India Council for Technical Education!

The Ministry of Education, Govt. of India has selected your institution for AKAM-EBSB: Visiting students to paired states under Ek Bharat Shreshtha Bharat (EBSB) Programme. As you are aware, EBSB is a programme for promoting national integration through systematic exchange between paired States/ UTs in the cultural, literary and linguistic fields. The expectation is that the students of one state should learn the linguistic and cultural aspects of the paired state covering history, culture, language, cuisine, festivals, clothing etc.

At least 50 students from your state (25 students from schools + 25 students from HEIs) are expected to be selected for exchange with the paired state at a time and will travel to the paired state. A detailed note is attached for your ready reference, however, w.r.t. Clause 4 (Logistics) Expenditure will be shared by two nodal institutions of a state (one for stay and hospitality and another for travel arrangement between paired states).

The visit to the paired institution is expected to be for a period of 5 to 7 days. The Parents' Consent Form is enclosed in Annexure-2. COVID-19 undertaking Performa is also enclosed in Annexure-3. The paired institution may be requested to facilitate the visit in the manner specified.

Every student in the contingent going from your institution may be asked to identify one unique feature of the culture of the State paired, and prepare a report on what they have learned during the visit. This report should be shared with all the other students of state on the return of your contingent. It is also expected that these learnings along with photos etc. are disseminated through social media accounts, Twitter, etc.

You are requested to contact them and try to get a response.

Flow process of the event

AKAM-EBSB : Vist of students to paired states

Background

Under Azadi Ka Amrit Mahotsav, the Ek Bharat Shreshtha Bharat prog has been selected for Iconic Activity during February 2022.

Background: 'Azadi Ka Amrut Mahotsav' is an initiative of the Government of India to celebrate and commemorate 75 years of independence of progressive India and the glorious history of its people, culture and achievements. The Hon'ble Prime Minister of India launched the 'Azadi Ka Amrut Mahotsav' by flagging off 'Dandi March' from Sabarmati Ashram, Ahmedabad on 12th March, 2021. The celebration commenced 75 weeks prior to Independence Day, 2022 and will extend up to Independence Day, 2023. To mark this occasion of great significance, Department of School Education & Literacy, Ministry of Education has launched another initiative titled Students Exchange Programme on Azadi ka Amrit Mahotsav. The programme will facilitate the students' visit to their paired State and UT (as per the pairing matrix of EBSB). Besides promoting the spirit of Ek Bharat Shrestha Bharat among children, the program will help them to gain an understanding of the cultural beauty of India as well as provide them an understanding of diverse socio-economic living experiences.

Objective of the programme

The broad plan is for **750 school students** and **750 college students** to together visit their paired states on a **7- day tour** (excluding travel time) during which they will gain first hand experience of various aspects of life in that state. This could range from, but not be restricted to exposure to language, cultural traditions, art forms, tourist attractions, sporting experiences and cuisines of the state to local crafts and industry, public sector undertakings, development icons and any other significant aspect of the state. Shopping, immersive experiences, home visits should also be part of the itinerary. The students will visit 2-3 / cities / towns / villages in each state over the 7 day period . Students will share their experiences through social media, blogs, vlogs etc on a daily basis.

The programme envisages cooperation of all participating ministries under EBSB, as well as the state governments. The role of each ministry / department will be defined in consultation with them.

Dates : June 2022
