D.O. No. 3/9/2022-MC

May 25, 2022

Dear Chief Secretary,

This is with reference to World Environment Day on June 5, 2022. The theme this year, #OnlyOneEarth, highlights the fact that safeguarding the planet's finite natural resources is of critical importance.

Concerted and co-ordinated action can address the challenges of climate change and pollution, as well as the concerns of nature and biodiversity loss. All stakeholders, at the local, state and national level, thus need to work closely together for a sustainable future.

It is therefore requested, that all departments and organisations of the State Government/UT Administration, may kindly devise appropriate strategies for this purpose and spread the message of #OnlyOneEarth, on the occasion of World Environment Day, 2022.

Regards,

Yours sincerely,

(Leena Nandan)
