## **REPORT**

### **Ek Bharat Shreshtha Bharat Club, TIAS**

The corona virus pandemic delayed the students' session (BBA, MBA, BAJMC and BCA). Due to this, there is a regular class for students in the month of April 2022 to till July 2022. Due to this, the teacher exchange program could not be conducted as the HOD's of various departments could not nominate their faculty members for this program in a physical mode.
