Dear Eco-club In-charge,

International Day for Biological Diversity is observed on 22nd May, 2022 which highlight that remains the answer to several sustainable development challenges. From ecosystem-based approaches to climate and/or nature-based solutions to climate, health issues, food and water security and sustainable livelihoods, biodiversity is the foundation upon which we can build back better.

The Secretariat of the Convention on Biological Diversity has announced the Biodiversity Day 2022 slogan: **"Building a shared future for all life"**. The main message from the CBD, key international instrument for sustainable development.

Pertaining to the same, the Department of Environment is conducting a Webinar on 20th May, 2022 (**Friday**) which will include a panel discussion of two fellows, and two Wetland Mitras to make students aware about the importance of biodiversity. Following the webinar, an online live quiz related to 'Biodiversity and Sustainable Development' is also organized.

Presentations shall be shared after the webinar amongst all the students for their future reference.

Besides the webinar and quiz, following competitions shall be organized which are open to all schools, colleges and public:

1. Photography competition
2. Videography Competition

Certificates will be provided to winners for the respective activities. The guidelines for the competitions are attached. The schools and colleges are requested to submit photographs and a report for the above-mentioned activities at delhiwetlands@gmail.com by 26th May 2022.
