

ACKNOWLEDGEMENT

With due respect, I would like to show my immense gratitude towards respected Dr. Ajay Kumar Sir, Director TIAS, who gave me opportunity to be a part of such a Prestigious Institute (Tecnia institute of Advanced Studies, Delhi). I confess without him could not have done half the justice to the report.

Next I would like to thank, (HoD, MBA Department), who told the details of project and advised on many issues related to project writing. In this context I have to mention another name (Project Guide, TIAS), for his guidance and constant supervision as well as for providing the necessary information about the project and helped me at all stages in the process of making this report. He encouraged and solved my problems, without him I could not have taken the right decision.

My heartiest appreciations also go to my friends in developing the project and people who have willingly helped me out with their abilities.

I would like to express my gratitude towards my parents their kind co-operation and encouragement which help me in completion of this project.
