Dear *Colleagues,*

As you all know Every Year International Youth Day (IYD) is observed on 12th August. This day provides an opportunity in engaging youth at different levels for social cause. NACO through SACS and Red Ribbon Clubs motivates youth for carrying out activities for creating awareness about HIV and related issues.

This Year the theme of International Youth Day 2022 is Intergenerational solidarity: Creating a World for All Ages is to amplify the message that action is needed across all generations to achieve the SDGs and leave no one behind. The 2022 International Youth Day will also raise awareness on certain barriers to intergenerational solidarity, notably ageism, which impacts young and old persons equally while having detrimental effects on society as a whole.

To observe the International Youth Day at state level guidelines have been enclosed. SACS is advised to send guidelines to Red Ribbon Clubs for observing International Youth Day. It is also requested to share a report after observing the International Youth Day to NACO. I am sure SACS will keep up the good work and accomplish the activities under your leadership and guidance.

With regards.

Yours sincerely,

(Dr. Anoop Kumar Puri)
