Dear Sir/Madam,

It is enlightening to share with you that the IIC network has grown to 4000+ numbers of HEIs and Institutions Innovation Council (IIC) has become a successful model for HEIs to build, streamline, strengthen and drive campus innovation and startup ecosystems in India. Moreover, the IIC network has turned out to be instrumental in building intra and inter -institutional partnership and cooperation which has sped up the IP generation, innovation and startup outputs from academic institutions by improving I&E awareness level, trained human resource and pre-incubation/incubation facilities in HEIs.

The Ministry of Education's Innovation Cell and AICTE thank all IIC institutions and IIC members for their relentless effort and contribution towards nation building and putting India in 46th position in Global Innovation Index 2021.

To make the IIC network more vibrant, proactive, collaborative and productive, the Ministry of Education's Innovation Cell and AICTE is going to organise 15 IIC regional meets in different cities across the country to bring existing and prospective IIC institutions together, to provide a platform for sharing I&E knowledge and best practices in HEIs, to celebrate the achievements and impact created by IIC Institutions and to witness successful emergence of innovators and startup founders from HEIs.

- In this regard, your IIC Institution is requested to nominate faculty representatives to take part in the regional meet. Nominations should be submitted through the IIC portal only, and preferably select a city of your zone.
- For NWRO Zone Venue(Host institute) and Dates are as follows:-

Chandigarh University-26th July 2022**Amity University Rajasthan(Jaipur)-28th July 2022**

- IIC institute is encouraged to nominate representatives for different knowledge sharing & orientation sessions on IIC, NISP, ARIIA and IP(Technology Transfer). Please refer to the download and notification section in IIC Portal for the schedule of regional meet program.
- IIC institutions are also invited to take part in the IIC Poster Gallery round to be held during the regional meet. This will be a demonstration platform for participating IIC institutions to showcase institutions' innovation and entrepreneurship ecosystem preparedness, models/best practices, contributions, recent achievements and impacts made in the last 2 academic years 2020-21, 2021-22. For this, **IIC institute is expected to prepare a poster in the form of Roll up Standee of size 6 by 3 feet size for display during the regional meet. Best posters from IIC institutions will be identified and felicitated.**

Note: All regional meets are of one day long events and these will be held in physical mode. No TA/DA/accommodation will be provided.

For any query, please reach to IIC zonal in charge for the NWRO zone, **Mr. Ankush Prakash Sharma**, Innovation Officer, MIC, **Email:**ankush.sharma@aicte-india.org, **Landline-**01129581223

Thanks & regards.
