Dear Sir/Madam,

Greetings from EBSB..!!

In connection with EK Bharat Shrestha Bharat (EBSB) - student visit, you are requested please upload the Photos /Videos / News Paper Cutting/reports on the below Google Form on a daily basis so that these activities may be posted on various social media platforms. This is important as photos and videos being posted in the WhatsApp group are not up to order and sometimes we are not able to understand/ identify the activity. The same Google Form should be used for multiple responses.
