

NATIONAL HAPPINESS UNICORN AWARDS - 1st edition 2022

Dear Dr. M. N. Jha,

I am delighted to confirm you as a “**Happiness Unicorn**” in India. I will be sending an e-poster shortly.

Your subscription and engagement with “YOL-YourOneLife” app is indeed your first step towards recognizing happiness in contrast with student stress.

The award shall be conferred upon you at a function. The details shall be shared with you shortly.

With above 70%, between 70%-50% and below 50%, students of your institution using it, you will further be placed in the National Gold, Silver or Bronze categories of institutions respectively.

Happiness is not a destination. It is like being on a journey in a good car. YourOneLife-YOL is an app based happiness journey. We shall continue to evaluate, track and help you both; **calibrate and celebrate** your journey. The app is unique

An honor is both an opportunity as also an equal responsibility. This must encourage you equally to take on the role of a **Happiness Evangelist** in your institution.

1. The objective is to playfully engage your students in the development of their IQ and EQ. Both EQ and IQ are the biggest factors in their jobs placements and careers and we shall certify that for each student.
2. AICTE has also recommended that 1 credit/student/semester may be granted for using the app where the assessment and results are declared by us online in real time. AICTE’s recommendations are covered in several *notifications and also their APH 22-23. We can assist you with that process in your institution.
3. You and your students will further be entitled to earn NFTs as users of the app and we shall that also to you shortly.

4. 1 copy of e-book “6 Sigma Happiness” is attached. This pdf link attached has especially been unlocked for you to share with all your students instead of 1 copy for every 250 students. It has been written in a most fascinating manner and the students will love it.

5. Attached is a logo and a link to the that you may use and create stickers that may be put up at appropriate locations within your campus as also distributed to your students with their welcome kit to continue to invoke a sense of happiness across your campus.
6. May we encourage you to create a **WALL OF HAPPINESS (slide on the same will be shared with you shortly)** at your campus and allow students to paste posters and pictures of themselves. They can post a picture of themselves with the **Wall of Happiness** and post on their social media and tag us #youronelife.
7. If you can send us confirmation to that together with some pictures, we shall be happy to treat your institution as ‘AICTE-YOL Unicorn campus’ and put this up on a that is being designed.

We look forward to organize happiness festivals, FDPs and talks at your campus upon your invitation. For further *clarifications pl. contact anjali@yol.one or whatsapp +919999303055 | +919958585370

Best wishes,
