## CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Institute functions in a well-structured and defined manner to ensure participative management at all levels of decision making. All the Departments function under the control of the Director of the Institute. Powers relating to running the Institute, the Director concerned. Director has different committees to suggest him as far as administering the Institute. Likewise, Heads of the Department have been delegated the powers by Institute to smoothly run the Department. In between the Heads and the Director, who also have the powers and use to advice the Director on core issues. Such is the decentralization of the power in Tecnia Institute of Advanced Studies. Two important interventions were made for decentralization and participative management. It was decided in department meeting that to improve the quality in academic institute should apply for Local Chapter of NPTEL. Minutes of Meeting was sent to IQAC for recommendation. IQAC through director further sent it to BOG for Final Approval. Director after getting approval from BOG, sent the application to NPTEL, IIT Madras and with the approval of NPTEL, Local Chapter was established in Tecnia. In the Director meeting with HODs it was decided that for better knowledge sharing and professional acumen, ethics, every department should further be divided in core domain for financial delegation with a contingency expense of Rs 2000. This minute of meeting was sent to BOG through IQAC for approval. And it was approved by BOG.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

### 6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	The college does not have the autonomy to develop its own curriculum, since it is under the GGSIP University Delhi, whose centrally compulsory syllabus is required to be followed by all colleges affiliated with it. But individual Faculty of the Institute are, directly or indirectly part of the curriculum development process: either

as members of boards of studies, or as experts involved in devising or preparing study materials in GGSIPU. The strategy for curriculum development is that HoDs along with faculty members of the department brainstorm on the topics to be incorporated in the curriculum, which is further suggested to University by representatives of the institution in the syllabus review meeting of the university. IQAC made quality policies and conducted Webinars on "CURRICULUM DEVELOPMENT with Bloom's Taxonomy and "TEACHING AND LEARNING with enhanced pedagogy so to Enriching the curriculum with co-curricular activities Conference, Workshops, Seminars, Academic Fests, Case Folio, Orientation Programs, Industrial Visits Education Cum Excursion Trip through Academic Departments and various clubs like ECO Club, NSS, Abivyakti Club and Cultural Club.

Teaching and Learning

The Institute follows the following pedagogy to make teaching and learning more effective. • The institute has divided students on the basis of their interest in Higher Education / Entrepreneurship / Placement based on that sessions will be organized keeping in mind that they will get complete knowledge in respective areas. • Students indulge in Summer Training / Project Report / Continuous Evaluation / Extension Activities / Plant Visits / Educational Visits for gaining practical knowledge in the various areas and prepare and present report on the same. • We provide opportunities to the students to participate in various International National Conferences / Seminars / Workshops to develop and present themselves for the current issues that have not been covered through the syllabi. • Personality Development / Technical Skill Development / Soft Skills Development sessions or activities enhance the presentation skills of the students which also increases their employability. • Assignments / Presentations / Group Discussions / Case Studies enhances students logical and team building skills. • Remedial Classes / Add on Classes / Enrichment Classes create opportunities for the slow learners to cope up with other students and help in creating their

interest in studies. • Orientation Program / Induction Program / Bridge Classes / Mentor Mentee System helps in bridging the gap for the students that comes from various disciplines.

**Examination and Evaluation**

Institute follows the affiliating University Evaluation system in totality. The Continuous Internal Assessment is done through Internal Evaluation (25) by the respective Faculty which has been enriched in the following ways: I. Theory Course (i) Continuous evaluation by teacher(s) (a) Case Study Based (b) Class Test (c) Written Assignment Based-Viva-voce (d) Journal Based-Review of Literature on the topic given from the Journals by the Faculty Viva- voce (ii) Semester term end examination II. Practical / Laboratory Course (i) Continuous evaluation by teacher(s) (1) Class Test (2) Continuous Evaluation (Assignments Exercises) (3) Internal Assessment (Lab Performance) (ii) Semester term end examination III. Dissertation / Thesis / Projects (i) Assessment by Internal Examiner (ii) Assessment by External Examiner. IQAC spearheaded the fairness and transparency in examinations through e-governance and TIAS ERP examination module and conducted FDP on "EXAMINATION AND EVALUATION wrt e-governance through internal assessment module.

**Research and Development**

As per the guidelines of Central government of India for Make in India and bringing research and innovation into our pedagogy, institute started two strategies: (i) Establishing Institution innovation Council so as to develop the culture of Innovation in the Institute and trained faculty on innovations so that students are benefited and the Institute was awarded Star Rating . To make students think out of the box, institution has taken another initiative where students come up with their business plan discuss them with the experts and rewards are given by the institution in star rating in IIC. (ii) For bringing research acumen in students, every faculty was assigned with two or three bright students or fast learners for joint publication and to reduce fear of paper publication and presentation of research paper in conference, institution started

organising conferences jointly for students and faculty. (iii) Institute made it mandatory in assignment the Review of Literature for developing Research acumen among students and faculty. IQAC consciously made RID Cell to conduct Workshop on RESEARCH, INNOVATION AND DEVELOPMENT: Research Paper Publications in UGC CARE listed Journals and Webinar on Updated Bibliometrics publications in Scopus/ Web of Science or PubMed/ Indian Citation Index.

Library, ICT and Physical Infrastructure / Instrumentation

Students to have easy access to books, institution has strategically put all digital libraries, e-journals in student LMS login page along with their user name and password. There are facilities like Reprography, Printing, Wi-Fi, e-Journals and Digital Library. Library resources are further enriched with e-resources through DELNET and J-GATE. All the programmes are well supported through adequate number of research journals. Libsys Software (LSEase Software) is used for Library Management System. Institute has also the membership of British Council Library and American Library. The academic environment is further enhanced by well-furnished, air-conditioned and ICT enabled classrooms, IT and media labs equipped with latest equipment and software. For conduct of professional and cultural events, institute has auditorium, seminar hall and conference hall with state-of-art audio-visual facilities.

Human Resource Management

Complete transparency is maintained in recruitment and selection process of human resource. All efforts have been put to recruit the best human resource available from industry and academia. Institute is recruiting faculty as GGSIPU / AICTE norms and has recruited 13 Doctorates in 2019-20 so that junior faculty members as well as students will get guidance in research and publications that can further enhance quality of human resource. Faculty is encouraged to attend various FDP, MDP, Webinar, Seminar, Conference, MOOCs, Workshops, Refresher Course, Orientation programmes as per his or her domain requirements.

Industry Interaction / Collaboration

The institute performs the following activities for enhancing employability

skills of students through Industry Interaction / Collaboration 1. is displayed on institute notice board.  
 Internal as well as external Examination Result is displayed on university website and link is made available on Institute Website.  
 Students are given opportunity to verify that and incase of any issue they can reach the institute for the same.

Planning and Development

IQAC spearheaded the fairness and transparency in examinations through e-governance and TIAS ERP examination module and conducted FDP on "EXAMINATION AND EVALUATION w.r.t e-governance through internal assessment module.

Administration

Notification of commencement of new academic session is uploaded on the institute website. Syllabus is available on the website. The institute uploads the Academic Calendar incorporating the various events and date of internal examinations on the institute website for all stakeholders. The Academic Calendar, Time Table, Course Plan, Assignments, are uploaded on ERP as a part of Advanced planning. Reports of the events organized by the institute are also made available on the said website.

Finance and Accounts

Tally ERP for Accounting: This is used for maintaining the all TIAS financial transactions and creates statement of final accounts like profit and loss account, balance sheet etc. This module is also used to show financial performance and position of the organization.

Student Admission and Support

Admission Module through TIAS ERP: This module handles the entire Admission Process of Students. It helps the organization to manage Admission process, Admission form (online and in-premises), Admission set up, Mark entry, Student sorting based on merit, Admission confirmation, and related reports etc. During the admission student fill the admission form on Admission ERP module itself. At that time, student fills the relevant details like qualified examination result, CET detail with rank, preference of institute clubs etc. At the end ERP generate a fee challan which helps to maintain fee records. Reports are specifically defined by

providing information aspects in one form, having reports of how many students applied for admission. Hence above are the functionalities of the Admission Management module, although there are more functions that could help institute to conserve admission data more easily but above are the must.

## 7.2 – Best Practices

### 7.2.1 – Describe at least two institutional best practices

Best Practice 2019 – 2020 Part A a. Goal: Making students socially equinimous, responsible citizen through intensive Extension and Outreach activities. b. The Context: Develop right understanding by sharing the understanding of value

education institute, subscribe, in all our dealings develop right skills, practice right living, mutual happiness, mutual prosperity, ensuring eco-friendly environment and hold ourselves accountable to all our stakeholders by maintaining integrity, honesty, openness, personal excellence, constructive self-criticism, continual self-improvement, mutual respect, professionalism, quality service standards, innovation, objectivity and honouring our commitments.

c. The Practice: To spearhead the value education among the students institute entrusts the responsibility on various clubs which bring in comprehensively the understanding of human values at various levels.

1. Tecnia Eco - Club: (National Green Corps) (Established by Department of Environment, Govt. of NCT of Delhi) ? Motivate the students to keep their surroundings green and clean by undertaking plantation of trees. (Forest Department provides free saplings from its 14 nurseries). ? Promote ethos of conservation of water by minimizing the use of water. ? Motivate students to imbibe habits and lifestyle for minimum waste generation, source separation of waste and disposing the waste to the nearest storage point. ? Educate students to create awareness amongst public and sanitary workers, to stop the indiscriminate burning of waste which causes respiratory diseases. ? Sensitize the students to minimize the use of plastic bags, not to throw them in public places as they choke drains and sewers, cause water logging and provide breeding ground for mosquitoes. ? Organize tree plantation programmes, awareness programmes such as Quiz, essay, painting competitions, rally, etc. regarding various environmental issues and educate children about re-use of waste material preparation of products out of waste. Organize Nature Trail in Wildlife Sanctuaries/Parks/Forest areas to know about the biodiversity.

2. Tecnia National Service Scheme (NSS) (Self-Financing Unit): (Established by NSS Regional Centre, Ministry of Youth Affairs Sports, Govt. of India). The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs Sports. It provides opportunity to the student youth of Technical Institution, Graduate Postgraduate at HEI and University level of India to take part in various government led community service activities programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Inception of popularly known as NSS, was launched in Gandhi ji's Centenary year in 1969. The number of student's volunteer strength has increased in the Institution to take part in various community service programmes. NSS volunteers generally work with villages, slums, and voluntary agencies to complete 120 hours of regular activities during an academic year. The aim of NSS volunteers in these areas has already been discussed. As per the fundamental principles of National Service Scheme, a volunteer is expected to remain in constant touch with the community. Hence, it is of vital importance that a particular village/slum is selected for implementation of NSS programmes. As the NSS volunteer is to live with the members of the community and learn from their experience during his/her tenure in NSS, the village/slum should be carefully selected for adoption by NSS unit. Organizing Nukkad Natak on social issues - Beti Bachao Beti Padhao National Integration Camp, Adventure Program NSS Republic Day ? Parade Camp National Youth Festivals

3. EBSB Club: Ek Bharat Shreshtha Bharat programme aims to enhance interaction promote mutual understanding between people of different states/UTs through the concept of state/UT pairing. The states carry out activities to promote a sustained and structured cultural connect in the areas of language learning, culture, traditions music, tourism cuisine, sports and sharing of best practices, etc. - One day in every month will be observed as EBSB Day in every HE institution where activities like cultural demonstrations -songs, dance, drama of paired state, film shows of paired states, food festivals, reading of translated books of paired states can be undertaken. The list is indicative there can be other similar activities. These can include reading of books from paired states, cultural programmes, cuisine, listening to news from the paired state, listening to/ watching a

language Radio/TV News/ other programme from the paired state, holding quiz about the paired state etc. In addition to the above the EBSB Clubs can lead/ drive other EBSB activities being organized by the institution. 4. Fitness Club: (Established as per Ministry of Youth Affairs and Sports) - Promoting healthy and sustainable policies and planning throughout the Higher Educational Institutions Providing healthy working environments Offering healthy and supportive social environments Establishing and improving primary health care Facilitating personal and social development Ensuring a healthy and sustainable physical environment Encouraging wider academic interest and developments in health promotion, Developing links with the community 5. Training and Placement Cell: The Institute is aware of its responsibility in placing all the students for summer training and find placement. To start a successful professional career, students are being trained during their tenure of studies. A Training and Placement Department has been established to take care of activities such as career counselling, CV writing, personality development, Group Discussion, and soft skill development training etc by inviting Professionals for the workshops and Training. Round the year efforts for interfacing with the industry and motivating students for skill development and entrepreneurship as an integral part of Placement Dept.

and the Entrepreneurship Development Cell. Students Progression - TP Performance: <https://tiaspg.tecna.in/training-and-placement-cell/> 8. Research and Development Innovation Cell: The Research and Innovation Development (R I D) Cell of Tecnia Institute of Advanced Studies facilitate and emboldens research ethos among the faculty and students. Its prime role is to create links with the factual world and stimulate research through a array of publications. It enables an amiable milieu for technological advances and monitors the research activities of the college. The RID Cell takes upon the responsibility of creating a workplace to entice the utmost endowment and endeavors incessantly in pooling of skills and internal resources, forming strategy, overcoming curbs, and makes the Institute proud to be the preeminent institutions around the World. Research Innovation Development of Tecnia Institute of Advanced Studies has created an ecosystem for innovation including incubation centre and other initiatives for creation and transfer of knowledge.

The institution organizes workshop/seminars on Research Methodology, Intellectual Property Rights (IPR) and Industry-Academia Innovative practices. Awards for innovation won by institution/teachers/research scholars/students, start-ups incubated on-campus are acclaimed by the institution. In each semester faculty members have to publish one research paper in UGC/Scopus/ICI and peer reviewed journals. 9. Entrepreneurship Development Cell: TIAS has founded a special committee meant for those students who wish to overtake the developed nations and in time to come. The Entrepreneurship Development Committee has been founded with the sole purpose of helping these students achieve their goals of founding their own successful business. d. Evidence of Success: In the academic year 2019 - 2020, total 1517 no. of students got the benefits after taking participation in various activities under different clubs and cells working in Tecnia Institute of Advanced Studies. This has widened the intellectual scope of students to improve their skills and get trained on required parameters to become socially responsible global citizen. e. Problems encountered and research required: For the completion of the extension and outreach activities, the institution has tackled every challenge successfully

with the potential and efforts of the faculties and top management. When it comes to sports ground, we have organized events in the sports ground at our sister organizations. Due to the Covid pandemic and the lockdown, our institution faced several challenges in the conduction of offline programs but in this challenging situation also we have organized online events, webinars, workshops and panel discussions for the development of students and faculties for their growth and make them responsible. Part B a. Goal: Making students Life Ready and inculcate the concept of life long learning b. The Context: Being Life Ready means students leave the institute with the grit and perseverance to tackle and achieve their goals by demonstrating personal actualization skills of self-awareness, self-management, social-awareness, responsible decision making, and relationship skills. We try to make students life ready with the help of following: 1. providing a research-backed assessment aligned to a profile of a graduate. 2. By exploring and analysing the results etc.
