Resource Person

1. **Mr. Naveen Toshniwal**

Motivational Speaker, Businessman and Grapho Therapy Specialist, Jaipur:

Mr. Naveen Toshniwal firstly gave a short introduction about Grapho therapy and explained how it is being used in several Self-assessment activities, Investigation studies and Self-improvisation therapies. Mr. Naveen explained how a person's handwriting can help in identifying his/her character and the strokes and curves in a person's handwriting tell a lot about a person's nature traits. Mr. Toshniwal presented a dossier to explain the nature traits by the strokes and curves of a few letters such as A, I, O, T, S, Y etc. and further mentioned the qualities and nature traits associated with the different Strokes and curves in the letters. In the duration Mr. Toshniwal also gave live demo by studying the handwritings of a few participants and answered to different queries related to Grapho Therapy and Nature Traits. Mr. Toshniwal added that a person can get better just by adding new mannerism in their hand-writing, he further mentioned that just by changing the handwriting a person can overcome several challenges and even can triumph over the problems like Depression, Anxiety and Stress.
