Co- Convener : MR. INDERPREET SINGH

Resource Person : MR. CHANDRASHEKHAR SINGH

Objectives

1. To enrich the participants with the entrepreneurial skills

- 2. To make the participants understand about the ideation.
- 3. To enhance the knowledge and encourage the youngsters to startup their own venture.
- 4. To make the participants understand about the organizational skills adopted by the young blood to enhance revenue.

About Workshop

This Workshop was intended to train participants with skills and knowledge about the ideation to produce quality results from the new entrepreneurs. The main purpose of this workshop is to build confidence in youngsters and to enhance their knowledge about business.

The participants have learnt about the kind of skills enhancement required in the business environment & how an individual can startup their own venture through online mode. In workshop complete online guidance was given by resource person.

Resource Person

The resource person of the workshop was Mr. Chandrashekhar Singh

Speaker: Mr. Chandrashekhar Singh

Mr. Chandrashekhar Singh is a CEO. He is first generation serial enterpreneur motivational speaker and business coach.

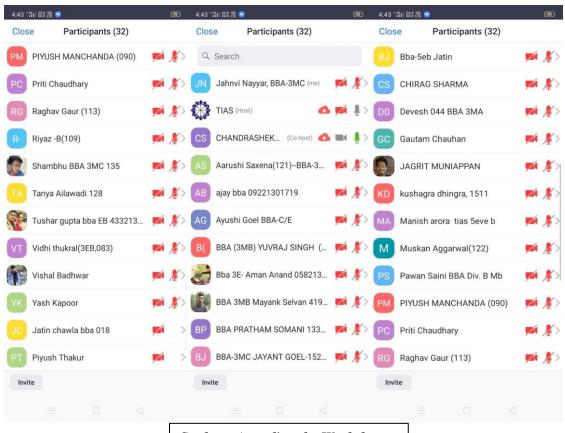

Topic: "IDEATION"—"IDEAS ARE NO ONE'S MONOPOLY".

Mr. Chandrashekhar Singh addresses about the following concerns regarding ideation:

- ➤ Mr. Singh addressed a brief introduction about the Ideation.
- ➤ He states that the basic of innovation is ideas.
- > Mr. singh further informed us that marketing and innovations are the two essential elements for a business growth as:
 - Productive and innovation enables a firm to be proactive in anticipating emerging consumer trends, thus address them with effective marketing is very important.
 - Innovation is important to the advancement of society as well as for an organisation. Innovation contributes to the success of a business.
 - Innovation is very important for companies as companies often see their employees creativity as a solution.
- ➤ He also elucidiate that ideas are also required for an execution of plan differently as for a success of a company an individual should execute better plan than their competition. Thus the perfect idea is always required for the company's growth.
- Mr. singh also stated that the most powerful force is an idea whose time has come.
- ➤ He also informed us about the two major things that we need to focus in ideation: "Read write think on paper a lot"
 - "Observe the question everything around you ignite the curiosity".
- ➤ He also added that one should solve "lateral thinking puzzles" for the sharp brain and concentration. It also makes you fell happier healthier and doing this type of mental exercise can boost your brain and increases your memory power.
- ➤ Mr. singh stated that every person should do "Gayatri Mantra" 21 times in a day for concentration. It is believed that by chanting Gayatri Mantra one can achieve success and happiness in life. The mantra is a declaration of appreciation, to both the nurturing sun and divine.

- Mr. singh further informed us that sound observation is very important for any business as it can help the organisation to determine the corrective measures.
- Mr. singh also gives us some important websites :
- 1. www.rapidtags.io
- 2. www.kinemaster.com
- 3. www.canva.com
- 4. <u>www.pixabay.com</u>

To conclude Mr. Chandrashekhar Singh Bhatia informed us about the opportunities we can uphold to run the business during the pandemic. Hence, it will be a good opportunity for the young entrepreneurs to conduct their businesses and uplift the economy of India with their innovative ideas
