Subject: Information on accommodation at Kanha Shantivanam
To:

Dear all on bcc,

Some of you have requested information on accommodation. I am attaching the rate cards.

On this list are the chosen eminent vice-chancellors and directors and while all of you will get an opportunity to meet and greet each other, we recommend that you arrive with your spouses and partners.

The sylvan surroundings of the venue are truly calming and mesmerizing

These will give you an opportunity to soak in the vibe of happiness that you must introduce not as an also have a subject, curriculum, or elective but rather as a stepping stone to education in life.

Best regards,

Anjali Verma
Training Director- YOL
