Dear Eco Club Incharges,

The Department of Environment, Government of NCT Delhi has launched a unique citizens-engagement initiative called "**Paryavaran Mitra**" to create a network of people from Delhi, who have the awareness, knowledge, commitment, and potential to meet the challenges of environmental sustainability in their spheres of influence. The program aims to provide an opportunity for citizens to demonstrate environmental citizenship qualities through positive change in behaviour and action at individual, school, family and community levels.

It is open to all residents of NCT of Delhi.

**Registration and Engagement of Volunteers:**

Interested individuals can register by Giving a missed call to 📞 **8448441758**, where they will be redirected to register through WhatsApp itself. Once registered, Volunteers would engage weekly via individual volunteering activities for each thematic year through a chatbot system. **Active volunteers among them would be invited for periodic group volunteering activities across Delhi. Rewards will be given to Paryavaran Mitras according to their activity. Please find the attachment for Paryavaran Rewards.**

We invite members of your institution to **join Delhi Government's volunteering program to improve our city's Environment**. Please encourage the maximum number of students/faculty to register as Paryavaran Mitra.

If you want we will have **an online session with the Paryavaran Mitra team** to discuss the program and understand its impact on Delhi. Fill out the form below, we can make the necessary arrangements.

Here is the link to give your request regarding an online session: <https://forms.gle/3o9ptJVfvcvJvnukQ7>

Please consider this email and acknowledge your interest within **two days**.

Regards,

Paryavaran Mitra Central Team
