Dear Sir/ Madam,

The Youth Climate Conclave (YCC) is an initiative of the Delegation of the European Union to India, together with GIZ India, CEEW and TERI. The Ministry of Environment, Forest and Climate Change (MOEFCC) has been supporting the YCC since the first edition. To develop a network of young talent that would pioneer transformative solutions to counter the impacts of climate change, the 4th edition of 'Youth Climate Conclave' (YCC) is being organized. This year, YCC is being held under the India-EU Clean Energy and Climate Partnership (CECP) project, financed by the Partnership Instrument of the European Union and managed by the Delegation of the European Union to India. PricewaterhouseCoopers Private Limited (PwC India) is the implementing partner for this project, together with NIRAS A/S, EUROCHAMBRES, and the Council on Energy, Environment, and Water (CEEW). TERI has been implementing YCC

since 2019. In 2022, with knowledge support from GIZ and UNICEF, the YCC is envisaged as a competitive and educative mode of action, wherein children and youth from across the country will come together to join hands and address climate change issues. A mega launch of the 4th edition was held in New Delhi on October 7, 2022, where the launch of the photography competition was the major highlight.

With this mail and in the run-up to the conclave, we are inviting **children and youth in the age criteria of 10 – 18 years and 19 – 25 years** for a **Photography Competition** who wish to create a better future with innovative sustainable solutions. Apart from recognition of winners, they will also get a chance to have their photo displayed at a reputed Exhibition and participate in the next conclave in February 2023 in Delhi!

We are very excited about this initiative, and we hope that children and youth in your network (**Eco-Clubs in Delhi**) will benefit immensely from participating in the competition. We would request you to circulate the information about the competition amongst children and youth and encourage them to participate in this distinctive youth programme.

Please find attached the competition guideline and a publicity poster for circulating in the Eco-clubs network.

To register and submit the entry for the competition, click on this link: https://wsds.teriin.org/2023/ycc_v4/youth-climate-conclave-4.php. The deadline to submit the entry is **30 November 2022**.

For any further information, please feel free to get in touch with Ms Monmi Barua or Ms Taru Mehta at monmi.barua@teri.res.in / mehta@teri.res.in.

Thank you,

With sincere regards,
Livleen
