REPORT

Event : Tree Plantation on Van Mahotsav Week

Topic : To raise awareness among individuals regarding the importance of trees and inspire citizens to plant more of them

Date : JULY 1st-7th, 2023

Timing : 03:00 PM Onwards

Venue : District Park, Rohini Sector 14, Delhi

Convener : Ms. Vaishali Prasad, NSS- Nodal Officer
:Dr Sheenu Arora, NSS- Program Coordinator

Beneficiary :BBA, BA (J&MC), MBA, BCA

OBJECTIVES:

- Increase awareness among students and the community about the importance of trees and their role in maintaining ecological balance.
- Contribute to environmental sustainability by planting trees that will enhance air quality and reduce carbon footprints.
- Involve students, faculty, and local community members in the tree plantation drive to foster a collective commitment to environmental stewardship.
- Provide education on proper tree planting techniques and ongoing tree care to ensure the successful growth and maintenance of newly planted trees.

On Vanmahotsav, NSS students of Tecnia Institute organized a successful tree plantation drive that significantly contributed to environmental sustainability and campus beautification. The event saw enthusiastic participation from students, faculty, and local community members, who came together to plant a diverse range of trees across the institute's campus. This initiative not only enhanced the green cover of Tecnia Institute but also raised awareness about the crucial role trees play in improving air quality and mitigating climate change. The drive was well-coordinated, with students demonstrating effective teamwork and leadership in executing the event.

In addition to planting trees, the event included educational sessions on proper tree care and the environmental benefits of afforestation. This holistic approach ensured that participants were well-informed about the significance of their efforts and how to maintain the health of the newly planted trees. The successful completion of the tree plantation drive not only celebrated Vanmahotsav but also reinforced NSS values of community service and environmental responsibility, setting a positive example for future sustainability initiatives at Tecnia Institute.

LEARNING OUTCOMES:

- Gained insight into the crucial role trees play in improving air quality, combating climate change, and supporting biodiversity.
- Learned effective techniques for planting trees and ensuring their successful growth, including soil preparation and proper care methods.
- Developed and demonstrated teamwork and collaboration skills through collective planning and execution of the tree plantation drive.

GLIMPSE

LIST OF BENEFICIARIES

S.No	Name	Course
1	Shubhashish Lall	BBA
2	Orav Goyal	BA(J&MC)
3	Manas Thakur	BA(J&MC)
4	Samarth Rawat	BA(J&MC)
5	Sneha Tomar	BBA
6	Kartik Garg	BBA
7	Govind Kumar	BBA
8	Nikhil Sandal	BCA
9	Harshit Goyal	BCA
10	Kunal Kumar	BCA
11	Mayank	BCA
12	Vasu Jain	BCA
13	Naman Jain	BBA
14	Prianshu Kumar	BBA
15	Gaurav Sharma	BBA
16	Sudipto Bhukta	BBA
17	Abhishek Roy	BBA
18	Tushar Sohal	BBA
19	Darsh Verma	BCA
20	Aditya Goel	BCA
21	Sarthak Kothari	BCA
22	Sarthak Jain	BCA
23	Yash Dagar	BCA
24	Saksham Bajaj	BCA
