---

**3.4.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the years.**

## **Additional Information**

Institute promotes extension activities to sensitize the students towards community needs and participates in social service with the various extension activities conducted by NSS club, ECO club, EBSB club, Happiness club, Gender Champion, Fit India club and Unnat Bharat Abhiyaan. The nodal officers of these clubs have initiated various activities and organized many events to sensitize the students towards social issues and constitutional rights for their holistic development.

The Eco Club objective is to sensitize society regarding environmental issues through various events like pledge on water day , awareness drive on “ water pollution at Yamuna” Say no to the plastic bags, Green Holi and many others. The ECO club has a association with RWA centers (Resident Welfare Association) through which students of their area sensitize the general masses regarding activities like reducing the paper use , single use plastic , side effects of air and noise pollution etc. EBSB club of institute which is paired with Sikkim institute also took an initiative towards cultural awareness between two states. These activities have positive impact on the student’s development with special reference to community relationship, leadership skill, self-confidence, developing personality, cultivating aptitude and attitude to become a better citizen.

The Fit India club has organized interactive session through webinar/ expert talk on Hygiene and cleanliness, conducted Dental Heath checkup organized walk India and various quizzes on Life style diseases, indoor and outdoor games were organized by Club to sensitize students towards healthy body and healthy mind.

The NSS club activities are conducted as per its manual, emails from the government of India and emails received from Indraprastha Universities. The NSS club of the institute has organized clean India: Safe India campaign , campaign on vigilance awareness week , Red ribbon in collaboration with NSS club has organized awareness campaign on world AIDS day and on World Health day organized Blood Donation Camp where several students has donated the blood for the needy people of the society . Har Ghar Trianga campaign was organized on Independence day for developing and enhancing the feeling of patriotism and National integration among all Indian citizens .The club sensitize the people and students on

gender equality on International Women day by conducting Self Defense training and Nukkad Natak on “ Beti Bachao Beti Padoo” . The students were also sensitized about social issues by conducting awareness campaign. The Gender champion club sensitizes the students about the gender equality, position of women in India, girls’ education and many more.
