Report: Description in (min 250 to max 800 words)*

Awareness drive at “Traffic lights” was organized by Eco Club of Tecnia Institute of Advanced Studies, Rohini, Delhi on 25-Nov-2022. TIAS propagated Eco Club under the aegis of Department of Environment, Government of NCT of Delhi, has been dispensed accountable for edifying the overall Environmental Quality and entrusted with the overall environmental assessment, monitoring, protection and awareness among the people of Delhi.

Institute’s Eco Clubs plays an important role in creating environmental awareness amongst the future generation. India is a rich cultural country in which various festivals are organized.

Awareness Drive at District Park:-

Pollution awareness campaign started from 10:30 onwards and all the Eco Club volunteers were gathered at the main gate. All the volunteers first started the awareness campaign on the road.

	<p>A policeman was standing on the road and making safety first priority volunteers coordinated with the policemen. When the lights were red volunteers along with policemen started campaigning for the people on Red light. Eco club volunteers aware people to keep their vehicle off while you are waiting on the red light. Volunteers also promoted the method of carpooling and how it will benefit them to save money as well as it will be more effective when we talk about nature. After the road campaign volunteers were directed to the college campus to make students aware about how to prevent pollution.</p> <p>All the students had a wonderful time with this awareness campaign. They departed at around 4:00 pm. The campaign was really educational and informative. We hope that the students developed some memorable experience for them.</p>
