Dear Sir/Madam,

As you all may be aware, that International Women's Day (IWD) is celebrated globally on 8<sup>th</sup> March each year to celebrate the achievements of **women** and mark a call to action for **gender equality**. International Women's Day also aims to draw attention to issues faced by women and advocate for women emancipation.

To mark International Women's Day, Ministry of Women and Child Development awards '**Nari Shakti Puraskars**' at **National Level** to recognize exceptional work undertaken towards **women empowerment**. This year also, International Women's Day will be celebrated by the Ministry of Women and Child Development at national level by conferring **Nari Shakti Awards** to individuals.

It goes without saying that efforts must be made by all stakeholders to mark International Women's Day by celebrating women's achievements, focus on eliminating gender based violence and discrimination along with adopting innovative approaches to bring perceptible changes to the social, political, economic and cultural empowerment of women.

I would request you to kindly ensure impactful events/programmes are organized in the week beginning from **1<sup>st</sup> March, 2023** and culminating on **International Women's Day** i.e on 08<sup>th</sup> March 2023 in your University/Institution. AICTE is confident that this will bring us a step closer towards gender equality and the vision of women living with dignity and contributing as equal partners in nation's development in an environment free from violence and discrimination.

Your cooperation is solicited and deeply appreciated.
