Duration: 50 minutes

Venue: Room No: 2204, UG Building, TIAS

Program: BCA (3rd Sem)

Coordinator: Ms. Heena Lal (TPO)

No. of students: 06

Objectives:

- To understand the students interest areas
- To guide students about how they can excel in their respective fields
- To encourage students to enhance their skills and abilities so as to achieve the desired result.
- To make students aware about the scope of their preferred field in the market.

Report:

An interactive session regarding interest area was organized by Training and Placement Cell of Tecnia Institute of Advanced Studies on 08.10.22 under the ambit of capability enhancement program by Ms Heena Lal, Training & Placement Officer.

It is important for every training and placement cell to understand the student's interest area in order to provide them a good job opportunity. The career interest areas of students are Cyber Security, Python, IOT, Data Science etc. There were 06 students in the class and everybody shared their views on potential career interest areas.

Ms. Heena Lal guided the students on what skills are required for respective career interest areas. She shared the tips on how to achieve the desired job by enhancing the essential skills and abilities. The students have made a sample at that time and they were told the corrections in the same. Their doubts were cleared by Ms Heena Lal in the session regarding their choice of career preference and its future scope. The session was interactive & very fruitful in enhancing the skills of the students in resume building and this will definitely benefit them a lot in future. The Training & Placement Cell will continue to work in this direction & lead student towards a brighter and successful future.

Learning outcomes:

- The session helped the students in learning skills and abilities required to attain the desired job
- It helped students to get an insight on potential career interest.
- It helped students secured a challenging position in a reputed organisation by highlighting their skills, knowledge and abilities for desirable job.
