- To make the students understand the different roles of executives of financial domain.
- To make the students understand the desirable skills and talents required for opportunities in financial domain.
- To make the students understand aware about the job opportunities in financial domain in USA.

**Report:**

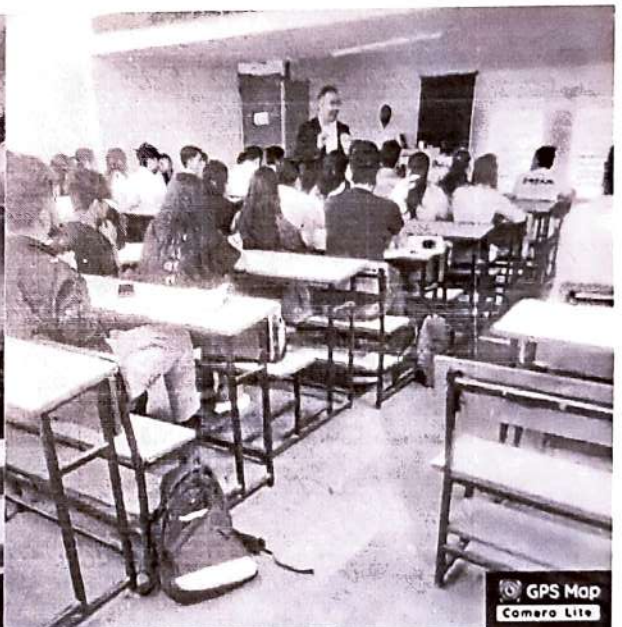

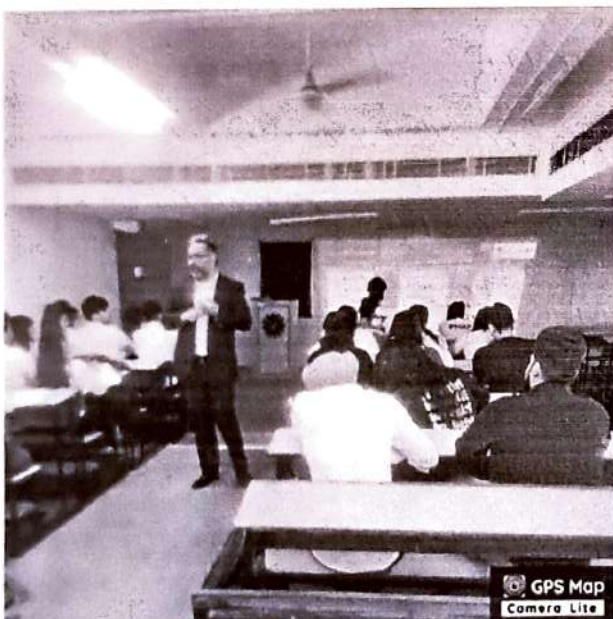

A seminar was organized on 28.09.2022 by Training and Placement Cell under the ambit of Capability Enhancement Scheme on the topic 'Opportunities in Finance Industry'. The resource speaker for the seminar was Mr. Kamal Chhabra, Founder and CEO, KC GlobED, Former Director International Relations North America MSME and Startup Forum Bharat. The speaker spoke about the job opportunities in the field of finance and its growth prospects. He discussed that finance professionals are deployed for Quantitative & Analytical Roles that include data scientist, data analyst, risk management analysis, or for client facing roles like Financial Analyst, Public Wealth Manager, Investment Consultant; Transaction-Focused Roles Like Investment Banker/Strategist, Stock Broker, Sales And Trading, Portfolio Manager, Private Equity Associate, Chief Investment Officer etc. He also described the meaning and responsibilities of "front office", "middle office" or "back office" in financial job descriptions. He further elaborated the desired skillsets for financial domain like interpersonal skills, analytical competencies, financial & business knowledge, communication skills, teamwork, persuasion & negotiation skill etc. He described the avenues of such jobs in abroad also and discussed the different certification program which would help the students to get job in finance domain in abroad especially USA. At the same time he told the students that upon acquiring the desired skills and knowledge one can work as consultant or can run own financial consulting firm. Earlier Dr. Nivedita welcomed the speaker in the seminar and introduced to the students and described the objective of the seminar. The one hour session was very

interactive and was well received by the students. The seminar ended with a vote of thanks by Dr. Nivedita.

**Learning Outcome:**

- Students understood the scope and opportunity of career growth in financial domain.
- Student understood the different roles of executives of financial domain.
- Students understood the desirable skills and talents required for opportunities in financial domain.
- Students got awareness about the job opportunities in financial domain in USA.
