**Report:**

A Debate activity was conducted by the Training and Placement Cell of Tecnia Institute of Advanced Studies on 11<sup>th</sup> November, 2022 under the ambit of capability enhancement program. The motive of conducting this activity was to provide students the opportunity to explore real-world topics and issues. Different groups were formed consisting of two students each and were allotted different topics. One by one each group was asked to debate on their allotted topics. Post to that each student was evaluated and guided by Ms. Heena Lal on their areas for improvement. Thus, this activity was very fruitful in enhancing the skills of the students and this will definitely benefit them a lot in the future. The Training & Placement Cell will continue to work in this direction and will lead students towards a brighter and successful future.

**Learning outcomes:**

1. Students were able to overcome their fear of public speaking and effectively delivered their thoughts.
2. Students got an opportunity to engage themselves and learn from their peers.
3. Students were able to understand the importance of body language, hand movements, facial expressions while speaking in front of an audience.
4. Students were able to develop critical thinking skills.
