Report:

A seminar was organized on 06.01.2023 by Training and Placement Cell under the ambit of Capability Enhancement Scheme on the topic 'Awareness and Opportunities in Logistics'. The resource speaker for the seminar was Ms. Alpana Chaturvedi, CEO My Logistics Gurukul and Mr. Sanjeev Chaudhary, Trainer My Logistics Gurukul.

The speaker Ms. Alpana Chaturvedi informed the students about Logistics as a process of controlling the resources obtained, housed and delivered to their delivery points and emphasized that a good logistics management is essential to companies. She described that the logistics industry comprises all supply chain activities, mainly transportation, inventory management, flow of information and customer service. It determines the success of not only the country's supply chain but also influences it on a global scale. The effectiveness of logistics helps to determine the degree of ability that enterprises can keep up with demand. She described that the economic crisis caused by the COVID-19 pandemic has shone a spotlight on the critical value of global supply chains and the logistics companies and that the logistic sector was less severely impacted than travel or transportation industry.

The speaker spoke about the different job profiles in logistics like Consultants, Logistics Analyst, Customer Service Manager, International logistic Manager, Inventory Control Manager, Logistics Engineer, Logistics Manager, and Logistic Service Salesman. She elaborated the objectives of having strong logistics management as to minimize the manufacturing costs, Efficient Flow of Operations, Better Communication Flow and Better Inventory Management with an aim to Provides Competitive Edge. She discussed that the key elements of logistics that include storage handling, packing, inventory, delivery, and information handling. She said that key skills required for logistics companies were, ability to see the big picture, adaptability, calm under pressure, effective problem-solving skills, open to improvement, and proficient in project management. Earlier Dr. Nivedita welcomed the speaker in the seminar and introduced to the students and described the objective of the seminar. The one hour session was very interactive and was well received by the students. The seminar ended with a vote of thanks by Dr. Nivedita.

Learning Outcome:

- The students understood scope and opportunities in logistics industry.
- The students understood the various profiles in logistic industry.
- The students understood the key skills required for various profiles in logistics industry.
