IT-ACADEMIC FEST

## About Institute

Tecnia Institute of Advanced studies is happy to host the 17th Techno-Vision –IT Academic Fest to be held on Thursday, 13th of April 2023, at the college campus. The overwhelming response from all participant colleges in the last Thirteen years has inspired us to take the Techno-Vision to next level this year in terms of its content, logistics and magnitude. Widening the scope further Techno-Vision 14th, brings ample opportunities for students to participate and compete in several online events

The events will give opportunity to many more students to learn, compete and gain exposure with a tinge of enjoyment. This year 6 events are planned with a dream to make it a platform for a grand Technological Extravaganza .

*We are excited to welcome all the Tech-savvy students in the city and hope to make it an unforgettable experience for each one of them.*

## Key Date

- Last Date to Register for Events:-30-March-2023
- Date of the event:- 13-April-2023

## Objectives

01

Enable students to brush-up their technical skills.

02

To create awareness amongst Students of IT and Management about the practical exposure of the latest trends in technology sector.

03

To search the talent among the students and to bring the various educational facets of the students to the surface
