

2.3 Suggestions for effective implementation

- 1 To connect with the oral tradition of IKS, one practical session on the ancient technique of memorization, with a few examples from primary texts, would be helpful.
- 2 A few immersive sessions on Yoga, Meditation, Ayurveda, Classical Music should be arranged to give teachers some grounding in the experiential aspects of IKS.
- 3 One session on Ayurveda with reference to self-exploration (Ayurvedic Personality Test) will be very helpful at a personal level.
- 4 The higher education institutions with the help of the MoE-IKS cell and all scholars may build a database of authentic books, papers, articles, videos. Faculty members may be invited to contribute to the database, with a mechanism for peer review to assess the quality of the submitted material.
- 5 Master trainer program could be implemented under Malviya Mission. This would be more cost effective and will bring efficiency in implementation of IKS in right spirit as proposed in these guidelines.
- 6 Malviya mission centres could be designated as the nodal agencies for preparing reading materials and recorded lectures for training of faculty on the various subjects mentioned in the document for FIP & Refresher Courses and Short term programs.
- 7 A suggested roadmap of effective implementation is shown below.
