Dear PI Coordinators,

Greetings from Unnat Bharat Abhiyan, RCI, IITD!

Civil-20 is one of the Engagement groups of the G20 process. The purpose of Civil20 (C20) is to bring together voices, ideas and solutions from civil societies across the Globe. The Government of India has appointed Mata Amritanandamayi as the Chair of Civil 20 (C20), an official engagement group of the G20. The C20 in Bharat has created 14 working groups covering various aspects that civil societies work on. LiFE (Lifestyle for Environment) has been identified as one of the significant working groups and YOJAK is designated as the National Coordinator of the LiFE working group. They identified Unnat Bharat Abhiyan as a supporting hand for youth and Higher Education Institutions' engagement.

Action 1: Take the pledge already mailed dated, and ***note the number of participants (numbers and pictures to be submitted to RCI, IITD, Via report making)***

A movement to take a pledge to conserve, protect and care for the planet through LiFE.

Take Pledge Here

<https://pledge.mygov.in/life-movement/>

- ***Pls to disseminate information among Faculties & Students under UBA Network.***

- ***Upload your certificates on social media and Tag us UBA, G20, C20, LiFE***

Action 2: Samajshala, at UBA villages: To be done physically in the cluster and UBA Villages: An outreach program to celebrate the people living environment-friendly lifestyle in UBA villages, their felicitation, documenting the Grassroots innovations, deliberations and documentation of traditional practices of environment-friendly lifestyle, ahaar- vihar, traditions, festivals etc.

- Identify the people in your village who are living environment-friendly lifestyles, gather a group of people in schools, **Anganwadi** or gram sabha, and ask those people to create awareness in village gatherings that why they live like this, what are the benefits and how others can implement it. We may present them with a memento with UBAb branding which is locally made, and also use banners in all such programs with the mandatory logos.

- Identify the grassroots innovations done by UBA SEG/villagers/NGO, which is implemented in those villages for the environment solution and make videos as well as a document then in report forms.

- Identify the traditional practices which may be festivals/lifestyles in the villages that help our environment. After doing so, document by taking videos and making written documents as well.

The above documents may be documented for all the adopted villages.

Action 3: Please show maximum participation in webinars conducted by RCI and NCI, IITD, along with your students.

In case of any queries don't hesitate to contact me
