The Principal,

Sub.: Mass mobilization of Mission LiFE –reg.

Dear Sir/ Madam,

As you are aware that LiFE- Lifestyle for Environment was introduced by Hon'ble Prime Minister at CoP26 in Glasgow as an India –led global mass movement for “mindful and deliberate utilization ; instead of mindless and destructive consumption” to protect and preserve Environment.

Mission Lifestyle for Environment recognizes that Indian Culture and living traditions are inherently sustainable. The importance of conserving our precious natural resources and living in harmony with nature are emphasized in our ancient scriptures. The need of the hour is to tap into that ancient wisdom and spread the message to as many people as possible. Mission Life seeks to Channel the efforts of individuals and communities into a global mass movement of positive behavioral change.

Seven themes, viz., Save Energy, Save Water, Say No to Single Use Plastic, Adopt Sustainable Food Systems, Adopt healthy Lifestyles, Reduce E-Waste and Reduce Waste have been identified to mobilize the movement.

Since World Environment Day is approaching on June 5, 2023, It is envisaged to organize major outreach and advocacy activities for mass mobilization on Mission LiFE with the aim to sensitize people about the impact of behavioral change on the environment. And a plan of Action for events to be conducted prior to 5th June with a major event on 5th June needs to be chalked out. Some of the suggested activities are:

1. To initiate Environment Awareness Campaigns in May covering LiFE themes.
2. Setting up Book Bank in your School.
3. Declaring Plastic Free School.

4. Practicing water conservation
5. Paper conservation.
6. Energy saving campaign
7. Including millets in food
8. Tree Plantation
9. Composting of horticulture waste
10. Sports events to be co-branded with mission LiFE
11. Each student to enroll at least 5 individuals in neighbourhood to take pledge on LiFE on 5th June.
12. To organize painting competition, quiz competition, declamation contest on Mission LiFE themes.
13. All the events and activities must have the logo of LIFE in the background so that it gets easily identified.

The creatives for mass mobilization as well as the Mission LiFE Pledge are already available on the Mission LiFE portal which can be downloaded from there. The Mission LiFE portal can be accessed from MoEF & CC GoI website at <http://missionlife-moefcc.nic.in/>.

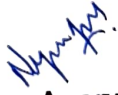

The activities, once undertaken may be uploaded on the portal: merilife.org alongwith photos/ videos. A user manual for field officers for uploading Plan of Action/ reports/ photos and videos on merilife portal is enclosed for kind reference.

May I, therefore, request you to kindly nominate a Teacher incharge from your school to coordinate the activities for awareness generation and sensitization about Lifestyle for environment (LiFE) in the schools of Delhi so that necessary action can be initiated immediately for advocacy and awareness regarding Mission LiFE and uploading the same on merilife portal.

With regards,

Yours sincerely,

Encl. : As above.
