Dear Sir/Madam,

Namaskar!

Action Plan for Higher Education Engagement Program of UBA in collaboration with C 20 - LiFE working group Civil-20 is one of the Engagement groups of the G20 process. The purpose of Civil20 (C20) is to bring together voices, ideas and solutions from civil societies across the Globe. The C20 group leverages the diverse spectrum of our society and is expected to channel the G20 process towards being inclusive, people-centric, democratic and better informed. For the past few years, Bharat has been highlighting 'Lifestyle' as one of the issues requiring global discussion. Lifestyle for the Environment is one of the important discussion themes in all three tracks of the G20 process. The C20 in Bharat has created 14 working groups covering various aspects that civil societies work on. LiFE (Lifestyle for Environment) has been identified as one of the significant working groups.

Episode#7 || Date: 24-05-2023 || 03:30 PM

Link: <https://tinyurl.com/C20LiFEUBA7>

About the Speaker: Dr. Jaypayl, formerly a professor in the Agriculture Department, experienced a transformative realization one day. He observed that a significant number of individuals were opting for professions outside the realm of agriculture. Drawing inspiration from his father, who happened to be a farmer, he made a courageous decision to embark on a career in farming himself. Over the course of the past nine years, he has dedicated himself to farming and proudly asserts that, despite a relatively small land area, he has managed to achieve impressive yields through the implementation of organic and multi-layer farming techniques. Dr. Jaypayl not only

imparts valuable training on these methods but also serves as an inspirational figure, encouraging others to consider farming as a fulfilling and rewarding profession.

Important: In order to receive the participation certificate, it is imperative that you include your name and college name in every episode of the webinar series: "Lifestyle For Environment"- Living Udaharan that is posted on NCI UBA YouTube Channel. Attendance at all eight episodes is mandatory to qualify for the certificate.

The link of the previous 5 Episodes is mentioned below:
