REPORT

This activity has been organized by the Fit India Youth Club of Tecnia Institute of Advanced Studies on 29.04.2023 in continuation of UGC's letter no 1-54/2019 (Website/Fit India) dated 13th December, 2019 regarding the implementation of "Fit India Campaign" in Higher Educational Institutions. In this event, outdoor game cricket was organised for the students where they can enhance themselves. All the participants enjoyed this event and were glad that these types of events were organised in the institution where they can achieve something and grow themselves. Sports helps an individual much more than in the physical aspects alone. It builds character, teaches and develops strategic thinking, analytical thinking, leadership skills, goal setting and risk taking.

BAJMC won the match by 32 Runs.

All the students were motivated to devote time to the game and were also instructed to play in a fair manner. The main aim was to provide emotional concern for the students to build their mental health and to create awareness through this event.
