Dear Sir/Ma'am

This is with reference to the Half Marathon held today on 31st of March, 2023 and organised by the NSS Cell of Guru Gobind Singh Indraprastha University.

It was stated by the NSS faculty and volunteers before the start of the marathon, that the first 50 participants who finish the full stretch of almost 10 kms (It was not a full 10 kms) would receive medals as a token of appreciation.

The participant no. allotted to me was **1978** and I am certain that I secured my position under 50 as my number was on the list of students being given medals but unfortunately my number wasn't called out and did not even receive my medal. I immediately complained to the NSS team volunteer and he took my name, participation number, my college & my mobile number so that I would get my medal which I deserved.

Also, like me there were many participants who completed the full stretch in time and finished under 50 but did not get the medals, similarly they also gave their names and details to the same NSS team volunteer.

I even have the proof to back my statements as I have the screenshots of the app which tracked the full distance I covered under the time limit allotted to us as well as a photo of me wearing a jersey on which the number assigned to me was pasted like a sticker.

I request you to please look into this matter and facilitate me with the medal I deserve.

In case you need any clarification/ inputs on this matter, please let me know and I shall share the details as desired.

Regards,

Harsh Mahajan
