OBJECTIVES OF THE EVENT:

- To discuss about a baseline household survey to be conducted by Unnat Bharat Abhiyan cell at Bakhtawar Pur.
- To plan and design a baseline household survey in Bakhtawar Pur.

REPORT

The "Unnat Bharat Abhiyan cell" was established by the Tecnia Institute of Advanced Studies in New Delhi. This cell was established with the intention of adopting five nearby villages and working to further their development. The UBA cell needs to focus on the Gandhian vision of development and determine what certain villages' needs are. disseminating information on agricultural programmes, conducting household surveys in the villages, and collaborating with the local populations on irrigation, literacy, and health issues are all examples of campaigns to raise awareness of various social and developmental issues.

To accomplish all these goals, Councilor Bakhtawarpur's assistant, Mr. Sunil, was introduced to Dr. Rajnesh Kumar Pandey (UBA Co-ordinator), who visited one of the adopted villages, "Bakhtawar Pur." The plan and layout of the suggested activities in the chosen hamlet have been discussed by Dr. Rajnesh. Mr. Sunil has expressed interest in the UBA cell of TIAS and vowed to support it in any way he can. The conversation was successful and fruitful overall.
