Dear All,

Greetings for the day!

This is with reference to the NSS/NCC/NSO etc specified as NUES for two credits by the University for 3rd semester credits. We have a humble request in view of the fact that students and assessors have not been issued detailed guidelines to evaluate this Subject at the beginning of the semester. Because of this all the students may not have participated in NSS/NCC/NSO etc. This leaves most of the students lacking credentials to get marked for this subject. We request you to kindly issue clear guidelines on the clubs/societies /committees etc that the students can participate in, besides NSS/NC/NSO to be able to get credits for this course.

NSS/NCC/NSO have limited seats in every institution and this course is mandatory for all students hence detailed guidelines for participation and evaluation of this course becomes a necessity and hence may be issued by the University to facilitate assessment for this course.

Secondly since this course was in the semester that has passed but lack of guidelines is not permitting evaluation of this course.

Hence it is requested that the assessment for this may be shifted to the current upcoming semester after all guidelines are issued now at the beginning of this new semester. We request your advice to take this forward, because all affiliate institutions have received the OMR for this subject but no one is able to mark most of the students in this subject.

Looking forward to your kind assistance in this matter,

Sincere thanks,

Warm regards,

Dear Sir

Greetings for the day!

This is with reference to the course on NCC/NSS.NSO etc.

We have received a grade sheet with all students marked absent because we had requested for grading guidelines from the University, as per my trail email appended below.

We did not receive any response hence we had not submitted scores for students.

We are proposing a scoring guideline for assessment for this course. We request you to permit us to submit the scores after we get an approval on these guidelines.

You may kindly share these guidelines with all affiliate institutions to bring clarity on the assessment for this course.

I am also attaching the revised course contents for current BCom (H) Second Year, with the correction in the typological error that was needed in the B.Com 4th

semester course on Financial management.

Kindly circulate both to all the institutions.

Thanks for your kind support always sir,

Warm regards

Indira
