Objective

World Water Day is an annual United Nations (UN) observance day held on 22 March that highlights the importance of fresh water. The day is used to advocate for the sustainable management of freshwater resources. As per Email Received from NCC Group 'C' Headquarters: Mar 19, 2023, 8:18 PM, undersigned have trained and make 30 Cadets from GGSIPU to be present in unit HQ for volunteering in Yamuna cleaning on World Water Day.

REPORT

On the occasion of World Water Day on 22nd March 2023, the cadets were deputed to India Gate to spread awareness among the public about the present ongoing water crisis, the importance of water in one's life and various ways to save water. The cadets portrayed the importance of water through posters and raising slogans, while one cadet briefed the spectators about the same. Cadets then also asked the views of the spectators present there, about the importance of water in their life and what can be the innovative ways of protecting the essential natural resource as "Water".

At the same time some of the cadets along with Senior cadets and concerned PI staff members went on the banks of river Yamuna near by Jamia Milia Islamia University, Okhla, Delhi.

As part of the ongoing Punit Sagar Abhiyan, the cadets with great enthusiasm and sense of responsibility contributed by cleaning the banks of river Yamuna. They depicted great determination. A brief is also been given by Mr. Ramesh Kumar, active member of the event on the importance of the Punit Sagar Abhiyan and World Water Day, solutions for handling the water crisis and how it is contributing towards a clean and green Nation.

Learning Outcomes:

- ✧ The main outcome of the day is to inspire people around and to learn more about water-related issues in the world and to take appropriate steps to make a difference.
- ✧ World Water Day was created to accelerate change and solve the water and sanitation crisis.
- ✧ The theme for this year is 'Accelerating the change to solve the water and sanitation crisis'.
- ✧ Students/cadets actively participated and had a great experience during this event. Also the event enhanced their knowledge and enlightened them to work positively for save of natural resources.
