Report: Description in (min 250 to max 800 words)*

A plantation drive was organized by Tecnia Institute of Advanced Studies, Rohini area of Delhi on 14th August 2019. John Keats once said “The poetry of the earth is never dead”, students of Tecnia Institute of advanced studies inculcate this perspective and in order to save earth from global warming and human deeds like afforestation students planted trees in their campus area and the surroundings.

Students brought different types of saplings and planted them in the campus and near by area in the society . Plants are important part of nature and for survival also. Dr. Sheetal Badesra convener of the event said “We get oxygen and other components from nature which are necessary to survive so we should celebrate and thank mother earth and nature to give us so many things, its our duty to at least plant trees in return and maintain sustainable development for the upcoming generations.

The special invitees of this event were Dr. Ajay Kumar (Director TIAS), Dr. Monisha (Chair Students Welfare) and all the Departmental Heads with the respective faculty members of TIAS.
