Dear Sir/Madam

Greetings from United way Delhi

We team United way Delhi, request you to kindly allocate the space for our products made by community women under the project livelihood.

United way Delhi is an independent local not-for-profit organization affiliated to the United way Worldwide family- one of the World's Largest leaders with 1800 affiliate chapters across 41 countries. Together, we have been working relentlessly since 2008 to advance the common good for the local community through innovative programs in Education, Healthcare, Environment, and Livelihood.

About the Program: SAMRIDDHI under United Way Delhi was initiated in Kapashera, Delhi, in April 2016 to create 50 women entrepreneurs. The project's goal was to build the capacities of women entrepreneurs related to business development from production to market through the production unit. With time, the project was able to make its mark and grow in the community, and in the last six years, we were able to reach out to over 3300 women. 2200 women have undergone training in financial literacy and inclusion, life skill and gender issues. A total of 171 women have been provided support to start their own businesses and become entrepreneurs. These entrepreneurs have shown a significant increase in income and were able to bring a positive change in their lifestyle. The production unit, to further strengthen women's financial capacities, was established in 2018. The program was redesigned so that women would be collectivized and organized to start micro-saving, have insurance policies, and credit linkages with financial institutions; this year 25 SHGs were formed.

UWD request you to provide your support to set up a stall in your School/College premises ,as our community women are running 25 SHG groups and some groups are also involved under income generating activities and one of them is running a production unit where they are manufacturing different types of garments, Dori made things and other products and we are looking such as a better platform where we can promote their self-stitched products even sell their products so that they can get some financial support through this for their families.

we shall be obliged if you could proceed with the requested things and respond to me in this regard at the earliest.

Note: Attaching some samples of the products for your reference. For any further information please contact at given numbers.

Mr Jitender -9999802668

Ms. Himanshu -9911125463

Thanks and Regards,

--

About Samriddhi

Women's involvement in collective effort and their leadership would benefit them in gaining self-confidence and becoming an active stakeholder in the decision making at their households and lead a better quality of life for themselves and their family members.

Project Samriddhi engages women in production based income generation activities such as sewing, and empowers the women artisan to establish their own business, while building their leadership and technical capacities on production and sales.

Initiated by United Way Delhi in 2016 with the support of corporate partner Cargill, the project started with an aim of creating 50 women entrepreneurs and with time, was able to make its own mark and growth in the community.

In the last 5 years, lives of 156 women have been impacted as they grew to set up their own businesses through the project support. 3320 women of Samriddhi have been empowered with entrepreneurial support in the technicalities of the business of production, financial literacy, business development, and life skills training to work holistically towards their development.

A WOMEN LED SHG

Meet the Artisans

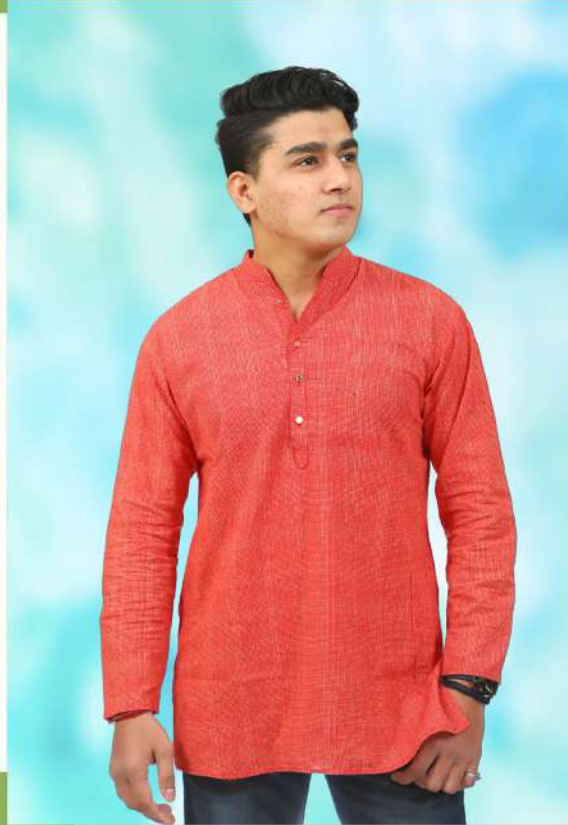

In the year 2018, a production unit, by the SHG Group of Samriddhi artisans registered as 'Pragati', was set up to further build strengthen the financial capacities of women. The women artisans of Pragati, collectively run the production unit. Starting from the ideating a product & designing it, they work to bring the product concept to life at the unit together! This catalogue presents you the varied categories of items that our skilled women artisans have designed and handcrafted!
