The collection drive was organised from 8<sup>th</sup> December 2022 to 20<sup>th</sup> December 2022 in Ashtavakra Campus. The aims of this extension activity was to extend a helping hand towards the society and to feel true happiness.

As the first step of this extension activity, the volunteers of Happiness Club placed cartons/boxes near the reception area for easy collection of clothes. Students also made posters appealing everyone to donate their spare clothes to help the ones in need. Some of the taglines from the posters were "Share the Warmth", "Let's make winters fair for those who starve for your care", "Donate to the ones in need". The students, faculty members as well as the non-teaching staff of the Institute donated generously in the collection drive, thus making it a huge success.

After the completion of the collection process, the volunteers categorised the donated clothes based on age groups. Further, the clothes were packed and organised into separate packets to ease the process of donation. Next, to distribute the collected items to the needy the Institute collaborated with Ashtavakara Institute of Rehabilitation Sciences and Research. On 23<sup>rd</sup> December 2022, the volunteers of Happiness Club put a donation counter at the winter carnival organised by the Ashtavakara Institute. The clothes were distributed to the people according to their need and requirements, thereby extending an helping hand to the society.
