Report:

An Awareness Campaign on HIV-AIDS was organized by Red Ribbon club of Tecnia Institute of Advanced Studies at Sampurna NGO Rajapur Sec-9, Rohini on 2nd June 2023. Volunteers highlighted the fact that the world is facing new virus each day. They further said that “we all should take constructive steps to eliminate chronic diseases for making our planet safe and spreading awareness about AIDS.

Ansh Gupta Volunteer of RRC Student of BBA 1st year addressed the citizen of Rohini and gave a very relevant speech on AIDS, HIV and causes of them, symptoms and ways to cure them. His speech included various ways how a youth can protect the society through awareness and prevention. The positive sign was the students' including the NSS Volunteers concentration and eagerness towards the problems caused by AIDS by demonstrating placards in regard to stay safe from this deadly disease.

I thank our management for motivating us to organize such great drive and provide a platform to create awareness and to integrate AIDS information in the society.

This event was successfully organised by Dr. Sheenu Arora, Red Ribbon club In-charge along with club coordinator.
