Subject: Address by chairman, AICTE on One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India for Promoting Tree Plantation for a Greener Future on 26th June,2023 at 4 :00 PM.

Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission” **One Student, One Tree 2023**” with the target of “**One Crore**” tree plantation. Please refer letter sent on dated 3rd June, 2023 vide letter no. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1 (**copy attached**)

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion, and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly conduct/organise special plantation drives to achieve the target. We strongly recommend that “**Every Institute should take a target for influencing the plantation of 10,000 trees in their nearby areas**”. In this reference, this is also informed to you that AICTE has already requested to all related Government departments like District Magistrate, and District Forest Officer for support and cooperation and to provide necessary facilities to institutions. We hope that your Institution’s plantation drive from 25th June to 30th July 2023 will help us achieving this goal.

As an incentive for carrying out the plantation, students/ faculty/ staff members will be recognized as **Pro Planet People**. Students may also be awarded with 20 "AICTE Activity Points, as defined in Chapter 6 of the AICTE

Internship Policy'. In addition, top 100 Institutes with the maximum number of trees planted will be awarded with "Certificate of Appreciation" by AICTE.

In case any further information is required on the subject, please write to us at it2sdc@aicte-india.org.

AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date 03 /06/ 23

To,
All Directors/ Principals/ Vice Chancellors
AICTE approved institutions and Deemed Universities

Sub: Massive Tree Plantation Drive – MeriLiFE mission of Dept. of Higher Education, Ministry of Education-reg.,

Dear Sir/ Madam,

“**LiFE**” is an India-led global mass movement to protect and preserve the environment. It aims to nudge individuals and communities to practice a lifestyle that is synchronous with nature and does not harm it. As one step further, “**MeriLiFE**” Mission of Dept. of Higher Education, Ministry of Education is being launched on the occasion of “**World Environment Day**” 5th June, 2023. The objective of the same is to initiate a massive plantation drive in-line with One Student One Tree 2020.

All India Council for Technical Education (AICTE) will launch MeriLiFE movement as a key to combating climate change and promote plantation. Under this mission, target of “**One crore**” Tree Plantation has been taken by AICTE. Hence, AICTE requests all students, faculty and staff members of its approved Institutions to **plant at least one tree** having suitable utility in the respective region. The name of the Tree may be given on the name of person who planted that tree. AICTE also requests all Institutions to organize **Mission MeriLiFE Pledge** on 5th June 2023.

The **tree plantation drive** may be planned considering horticultural landscaping of the institute aiming to plant maximum number of trees and plants, wherever possible for example along boundary walls/roads/tracks, in empty spaces which are not to be used for any other purpose.

If not enough space is available with the institute, please coordinate with the local Municipal and Development Authorities, as well as with the Forest and Horticulture departments of the State Government, who have their own annual targets and budget to plant trees in large numbers. MoE and AICTE will also write to Principle Secretaries of the states requesting them to help in plantation drive in their vicinity.

All Institutions are also requested to maintain the details of the student & faculty planting the trees viz; Full Name, Email Address, Number of Tree Planted, Name of the Tree and upload the same on AICTE portal (link will be shared soon).

As an incentive for carrying out plantation, students/ faculty/ staff members will be recognised as **Pro Planet People**. Students may be awarded 20 "AICTE Activity Points,"

as defined in chapter 6 of AICTE Internship Policy'. In addition, top 100 Institutes with maximum number of tree planted will be awarded with "**Certificate of Appreciation**" by AICTE.

We hope to get your support in making MeriLiFE: Tree Plantation drive 2023 a huge success.
