REPORT

Gender Champion Club organised a Short Play on "Dahej Hatao Samaj Bachao" on 17 January 2023 at Multi-purpose hall. The event was conducted mainly to understand the effect of Dowry system in India and also for creating awareness among the students to remove dowry system from everywhere. Nowadays, the dowry system is becoming like a business for some castes. The Dowry system is becoming a burden for the bride's family. Many times if demand is not fulfilled for the boy's side then the marriage is abruptly canceled as a result of this failure. If we see it in our Asian country, then dowry is becoming more important for the groom's side, mainly in countries like India. To end this heinous social practice, the government has made a law to refrain people from taking dowry under the Act of 1961.

In India, everyone speaks and progresses for women's rights and says 'Beti Bachao Beti Padhao' but a girl even after achieving everything in her life; where starts taking care of her family but even then she can't escape the shackles of dowry. Sometimes because of dowry which is mostly prevalent among the below poverty line people, they kill their daughters after they are born or before their birth in the mother's womb itself so that they can escape dowry.

With the help of this short play students showed, how a women who is well educated is forced to marry in a family who asks for dowry in first place and how they harrass her in different ways for more money, it also explained how she fought for her right and fight with her depression and anxiety. In the end, she
