Sir/Madam,

All India Council for Technical Education (AICTE) in association with **Arm Education** and **ST Microelectronics** with support from **Cadence Design Systems** is launching a Faculty Development Workshop on “**VLSI to System Design: Silicon-to-End Application Approach**” from 31st July to 4th August 2023. Aim of this workshop is to give insights to the faculty members on the latest technologies and developments prevailing in semiconductor-related domains. The 5-day virtual workshop will take you through the VLSI SoC silicon design steps to Industry 4.0 end-use applications.

Please circulate this among all the faculty members and research scholars of Electronics and Communication Engineering, Electrical and Electronics Engineering, VLSI and Embedded Systems and authorize at least two nominations from each institute for the workshop. It is to be noted that there shall be **No Registration Charges**. The participants will be issued with a Certificate on successful completion of the course.

For more information on the workshop – Registration, Agenda, Speakers, etc., please visit the link <https://community.arm.com/vlsi-to-system-design/>

Please feel free to contact the mentioned below officials for any related queries

Dr. Sunil Luthra, Director, Training and Learning Bureau, AICTE

E-mail: directortlb@aicte-india.org
Phone: 011-2958-1013

Ms. Apurva Varma, Senior Regional Manager-Academic Engagements, Arm Education
