Subject: Strengthening of RRC in Colleges/Institutions

To: GGSIPU NSS Cell GGSIPU <[nsscell@ipu.ac.in](mailto:nsscell@ipu.ac.in)>

Respected Sir,

In reference to the MoU signed with GGSIPU NSS Cell for the formation of Red Ribbon Clubs to work together for the noble cause of HIV / AIDS Awareness among Youth. Till date RRC's are functioning in some of the Colleges. It is requested you to kindly issue suitable directions to all affiliated colleges to establish RRCs under National AIDS Control Programme.

Youth are the pillars of a healthy society and factors like involvement in High Risk Activities due to experimental attitude makes them highly vulnerable for HIV/AIDS.

Red Ribbon Clubs initiative of the National AIDS Control Programme is a strategy to reach out to the college going youths to underline the importance of quality living and highlight the concept of a healthy mind and body.

Your College/Institution has entered into a 'Memorandum of Understanding' with Delhi State AIDS Control Society and accepted the terms and conditions to undertake college level activities. It has been a pleasure working together for the noble cause of HIV/AIDS awareness among Youth.

It is requested to kindly share the details of the colleges/Institutions so that DSACS may be able to provide Monetary support for the existing RRC strengthening for the current financial year at the earliest possible.

**Details needed:**

**Name of the account Holder:**

**Name of the bank:**

**Account Number:**

**IFSC Code:**

**MICR Code:**

**Branch Address:**

DSACS essentially plays the role of a mentor along with In charge of the Club for students at college level. Students shall be free to contact DSACS on any issue and their queries shall be answered by experts arranged by DSACS.

**Activities by RRC :** These RRCs in colleges are encouraged to organize activities pertaining to HIV awareness such awareness sessions on HIV/AIDS, Quiz competitions, Debate competitions Seminar, Workshop, Drama/Street Play competitions, student rallies, activities in College Fest, developing, Poster Making /painting competitions and displaying graphics on HIV/AIDS awareness, organizing Voluntary Blood Donation camps and displaying related educational material in college/institution, promoting life skills, adventure sports activities, creativity, healthy lifestyle and other youth based interactive programmes at college level.

The actual success of the interaction largely depends upon the commitment of the college and students. You are requested to kindly designate one mentor (may be senior teacher e.g. NSS in charge) and accept the

responsibility of being the patron of the RRC of your college. We would require a list of about 10-15 volunteers, as club members, including two club coordinators.

**Financial support provided by DSACS** for establishing a new RRC shall be Rs. 9000 in the first year and Rs.9000 annually thereafter. This fund is transferred in the name of the college. This budget may be spent on the activities to be undertaken by the Club and an Utilization Certificate (UC) with details of expenditure and a brief report on activities undertaken shall be required to be submitted by the College at the end of year.

Your support in reaching out to the young citizens is invaluable. You are requested to kindly take up the matter personally so that the minimum activities and the schedule of activities may commence early. These clubs may be made functional by organizing a Voluntary Blood Donation Camp in college for which due support will be provided by DSACS.

**Contact person at DSACS:** Kindly feel free to contact the officer in charge Ms. Sujita Ghalaut, Assistant Director (Youth Affairs) at 9718806677 e-mail [adya.dsacs@gmail.com](mailto:adya.dsacs@gmail.com) for clarifications and future line of action.
