2. To make students' aware about repercussion of wasting water.
3. To promote the spirit of "Water Saving" through a deep engagement.

Report

The initiative 'Ek Bharat Shreshtha Bharat' was announced by the Hon'ble Prime Minister on 31st October 2015 on the occasion of the 140th birth anniversary of Sardar Vallabhbhai Patel. Through this innovative measure, the knowledge of the culture, traditions, and practices of different states & UTs will lead to an enhanced understanding and bonding between the states, thereby strengthening the unity and integrity of India.

In view of it, a pledge on "Water Saving" in the language of partnering state i.e., Nepali was organized by the EBSB club of Tecnia Institute of Advanced Studies, Rohini. As a nodal officer of EBSB Club, Dr. Saumya Bansal spoke about repercussion of wasting water which was followed by taking pledge on "Water Saving". Students from all the courses enthusiastically participated in the pledge-taking ceremony, got aware about the repercussion of wasting water, and took the oath to save it.
