Objectives of the event:

- ✓ To motivate students to exhibit their talents in Photography.
- ✓ To encourage students and improve their technical as well as artistic skills.

Report:

A photo story is a means of visual storytelling. An artist uses photo stories to narrate a series of images so that they give better insight into an event or topic.

Lensart Photography club of Tecnia Institute of Advanced studies organized a Photo Story Competition for the students of BBA, BAJMC, BCA and MBA on 28th Feb 2023 at college campus. The theme of the competition was Second Inning of Life. This contest aimed to develop Photography skills and the ability to narrate a story with the help of series of pictures.

Entries were invited from all the students of the institute. Each participant was asked to submit the original photographs, which must tell a story. The last date for submission was 28th Feb 2023. Ten entries were received from students of various courses.

The Photographs were judged based on the different parameters i.e., Audience appeal, creativity, clarity of message, originality, uniqueness of concept. The winner for the competition was Adithyan Pramod. He did marvellous job and begged the first position in this event. Ms. Jyoti Gupta, Photography club in charge along with Ms. Radhika, club coordinator organised the event very well.

Learning Outcome:

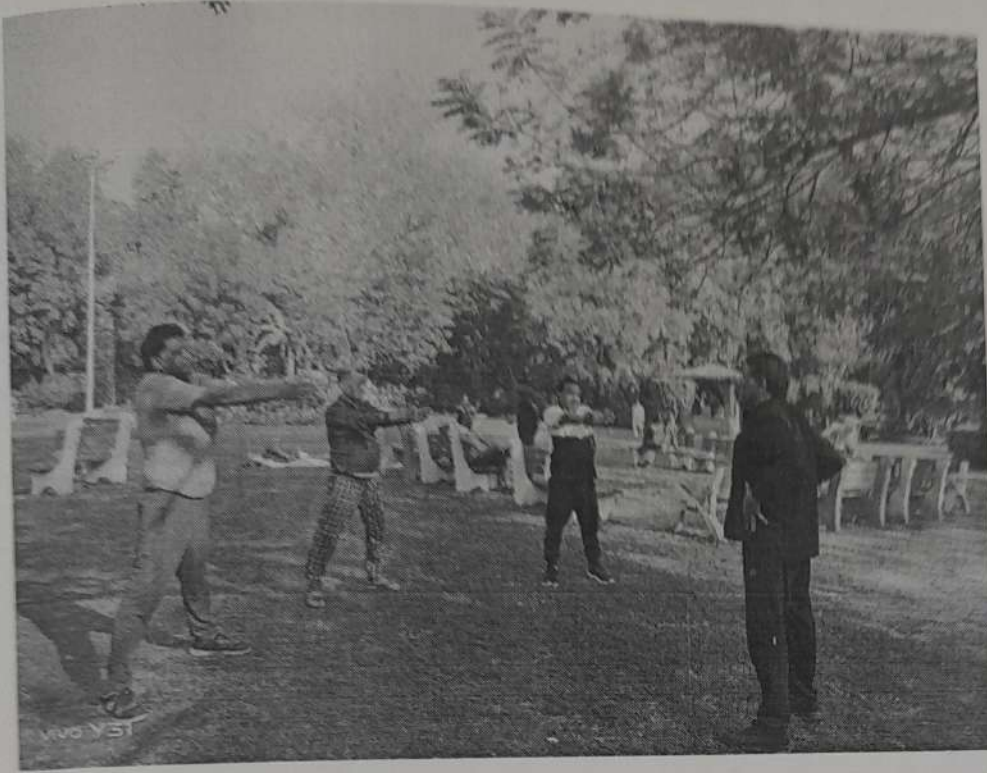

- ✓ Students showed their innovative ideas and techniques in the form of Photography.
- ✓ Students conveyed the message on social issues related to the society.
- ✓ Students learnt the Photography techniques like different types of angles and composition.
