Report

The Members of Mridang Dramatics Society, the Official Dramatics society of TIAS performed in an outreach activity (Skit) on the theme "Women Tolerance -Sakshi" at ChatrapatiShivaji Chowk, Shahabad dairy, Delhi on 2th May, 2023 (Sunday). They successfully spread the awareness

amongsta crowd of more than 700 people under the guidance of Ms.Sonia Batra . The play aimed at Raise Awareness, Empower Survivors, Challenge Stereotypes, Promote Gender Equality, Encourage Reporting and Support, Inspire Community Action, Foster Dialogue and Change and Influence Policy and Legislation.

Our Dramatics Club tries to address various social causes by understanding the dynamics and nuances of the world around us, by observing the grassroots issues closely and at other times, by imagining and creating a utopian world order as an alternative.

This play tries to create awareness on women's safety and types of violence they are facing in today's era. How can we educate not only women but also how can we educate male members to respect the women around us. This step can help the society to understand the concern of the hour and take necessary actions. Individual efforts can contribute to women's safety and it is only need for development of our society. Women help to develop the Nation and family. We all should take the responsibility around us to provide the safe atmosphere to the women around us.

Remember that preventing violence against women is an on-going effort that requires sustained commitment and collaboration. It is essential to address the underlying social, cultural, and systemic factors that contribute to gender-based violence in order to create lasting change.
