## ATAL Academy Faculty Development Programmes 2023-24 – Invitation to submit application-reg.

---

All India Council for Technical Education(no-reply) <admin@aicte-india.org>

Wed, Aug 2, 2023 at 6:52 PM

To: directortias@tecnia.in

Dear Sir/Madam,

ATAL academy was established in 2018 with a motive to support technical institutions in fostering research, innovation and entrepreneurship through training in various emerging areas. Faculty development Programmes were offered in three categories, i.e., Basic, Advanced and Leadership level to faculty members and research scholars across the country since then under areas of Engineering and Technology, Management, Architecture, Design, Arts and Crafts etc. FDPs on Indian Knowledge Systems, Semiconductor and PM Gati Shakti were also been included under thrust areas.

Since inception, ATAL Academy had offered more than three thousand FDPs and certified about three lakh participants across the country. You might be well aware by now that the Chairman AICTE has launched ATAL Faculty Development Programme 2023-24 on 19<sup>th</sup> July 2023. In Academic year 2023-24 we are aiming at conducting 500 FDPs to certify more than 25000 participants. The Grant in Aid for technical FDPs is raised to Rs 3,50,000. FDPs on IKS, UHV etc., under the non-technical category would receive a Grant- In -Aid of Rs. 3,00,000. The FDPs would support the participants not only in upgrading their knowledge and skill set, but in their career advancement too.

We are pleased to announce that the ATAL portal for submitting application for ATAL FDPs by coordinators is live and will accept applications till 10<sup>th</sup> August 2023. Please make use of the opportunity and promote your fellow faculties (associate professors and above) to register as coordinator for conduct of FDPs.

Please follow this link to apply online and for more information about the ATAL FDPs: <https://www.aicte-india.org/atal>

Thank you for your attention and cooperation.
