Dear All,

Greetings from DSACS.

As you all know, every year DSACS organises various activities to disseminate correct knowledge on HIV/AIDS in educational institutions. This year, under the Youth Festival, DSACS organised various activities like the National Red Run and state events for drama, a reel-making competition for colleges and red ribbon quiz competition in schools.

To expand youth activity in the next financial year in schools and RRCs, all RRCs are requested to think out of the box and suggest some creative / new activities which we can start from district/ state level and culminate at National level.

You are requested to share your idea by 17<sup>th</sup> November 2023 in the attached format.
