### Resource Person:

Dr. Nivedita, Head Training and Placement, TIAS

### Objectives:

- Generate a pile of ideas on the given topic by discussing different dimensions.
- To evaluate the speaking, thinking, listening abilities and logical approach of students.
- To analyze the body language, communication skills, confidence etc. of the student while speaking.

- To develop students' interpersonal communication skills and enhance their ability to express views in a clear and succinct manner.
- Effective means of changing the attitude of students through the influence of other students in the group.

## **Report**

Group Discussion activity was organized on 15th March 2023 for MBA 1st year students by the T&P cell of TIAS under the ambit of Capability enhancement program. The objective of this activity was to give the students a platform to express their views and opinions on a given topic; helping them enhance their thinking, listening and speaking skills, as these play a critical role during job placements. Evaluators and coordinators for the activity were Dr. Nivedita, Head Training and Placement Cell. Initially the Do's and Don'ts of a Group Discussion were reiterated to the students, post which the activity evaluation process was explained to the students. This was followed by the group discussion. The activity was structured in such a way that it promoted an informal exchange of knowledge, ideas, and perceptions among the participants. Contributions were pooled together and examined in terms of their relevance and validity. The session was very interactive and was well received by the 12 students who participated in the group discussion. Post the session, Dr. Nivedita, Head Training and Placement Cell, guided the students regarding their scope of improvement in respective areas.

## **Learning Outcome:**

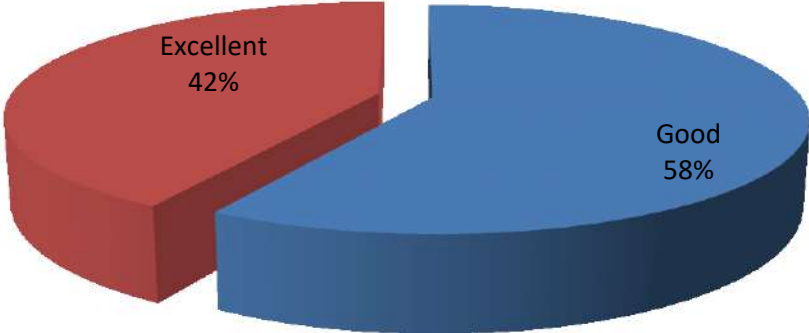

- Interpersonal & Listening skills of the students were improved.
- Confidence level of the students was boosted up.
- The activity increased students' interests and engagement
- Students were made aware about their shortcomings and weakness, so that they could improve.
- The activity enhanced their listening skills.
- It helped them to generate more ideas about the topic
