Dear Sir/Madam,

Greeting from AICTE,

Please find attached a letter from Hon'ble Chairman AICTE regarding "Inculcation of Universal Human Values and Ethics as per NEP 2020".

NEP 2020 has clearly highlighted the need for human values in education. In line with this, AICTE has been making focussed efforts for value education and value-based education for value-based living since 2017.

We trust that your institution is also making sincere efforts in this direction.

Please see https://fdp-si.aicte-india.org/download/HVBE_for_NEP2020.pdf for the detailed document "Universal Human Values for Holistic Value-based Education for Realising the Aspirations Articulated in NEP 2020". It contains a cogent vision for education along with the implementation steps as well as our 5+ years' experience.

AICTE's initial value inculcation programs include:

1. A mandatory Student Induction Program (SIP) for all newly-joined students. The core of this is the 15-session module, called UHV-I: Introduction to Universal Human Values.
2. A mandatory 1-semester, 3-credit course UHV-II 'Universal Human Values-II: Understanding Harmony' to be conducted in circular No. AICTE/IPC/2020/93). Please note that 3 exclusive credits have been allocated for this crucial value input.

For details, please see <https://fdp-si.aicte-india.org/>

Our National Coordination Committee for Induction Program (NCC-IP) is available to help you with faculty development and implementation at your institution. In case the following steps have yet to be completed, we request you to:

1. Appoint an active faculty as your University UHV Coordinator
2. Develop a UHV Cell (Value Education Cell)
3. Prepare adequate faculty to mentor students and teach UHV courses.
Faculty may register at:
<https://fdp-si.aicte-india.org/VerifiedProgramDetailsList.php>
4. Introduce the 3-week SIP and the UHV courses (UHV-I, UHV-II) at both UG and PG levels.

For further details and to communicate the above, please contact:
convener.nccip@aicte-india.org

An early response will be greatly appreciated.
