**Report:**

The program started with the inaugural speech of Dr. Ajay Kumar, Director, TIAS who stated the importance of celebration and observation of this day. The celebration of International Youth Day on 12th August 2023 was marked by a spirited and thought-provoking debate competition that brought together young minds from various corners of the globe. The event, organized to honor the vital role of youth in shaping our world, showcased the passion, intellect, and dynamism of the next generation in discussing critical global issues. Dr Sheenu Arora, RRC- Programme Officer, highlighted the fact that

the world is facing new diseases each day. She further said that we should take constructive steps to eliminate chronic diseases for making our planet safe. Ms Vaishali Prasad, NSS- Programme Officer concluded the session with vote of thanks.

Red Ribbon Club of TIAS celebrated the debate competition attracted participants from diverse cultural, social, and educational backgrounds, reflecting the event's global significance. It was heartening to witness students, young professionals, and activists, engaging in discussions that ranged from environmental sustainability to social justice and economic reforms.

The competition featured a multifaceted approach to addressing contemporary challenges. Participants delved into a variety of themes, including climate change and environmental sustainability, gender equality, access to quality education, mental health awareness, and the role of technology in shaping the future. Each debate round focused on one specific theme, allowing for in-depth analyses and exchange of diverse perspectives.

The debates followed a structured format, providing equal opportunities for all participants to express their opinions and engage in constructive discourse. The format allowed for the expression of differing views while maintaining a respectful environment. The discussions were marked by rigorous arguments, well-researched facts, and persuasive rhetoric, showcasing the eloquence and critical thinking abilities of the young debaters.

The competition not only served as a platform for intellectual exchange but also left a lasting impact on both participants and the audience. It encouraged a deeper understanding of global issues, instilled a sense of responsibility towards finding solutions, and promoted empathy and open-mindedness. Additionally, the event fostered networking and collaboration among young individuals passionate about instigating change in their communities.

The International Youth Day Debate Competition served as a testament to the power of youth voices in effecting positive change. The event emphasized the need for continuous dialogue, collaboration, and the empowerment of young minds to create a more inclusive, sustainable, and harmonious future. It

concluded on a note of inspiration, urging all participants to carry forward the spirit of meaningful discussions and take proactive steps towards addressing the world's pressing issues.

In conclusion, the debate competition on International Youth Day was a remarkable celebration of the intellect, passion, and determination of the young generation, illustrating their potential to be catalysts for positive global transformation.
